Michigan Historical Museum system is part of the
Michigan Historical Center, a division of the Michigan
Department of History, Arts and Libraries

The Michigan Historical Museum education staff is pleased to present the following workshops designed especially for Junior Girl Scouts. The program fee for girls and their chaperones includes handouts, lunch, snacks and certificate. Each Junior receives the appropriate badge.

January 17

STITCH IN TIME

Juniors earn their Yarn and Fabric Arts badge as they learn about our handicraft traditions. The girls will create a simple loom for weaving, tighten up their knot-tying skills and learn the basics of embroidery.

February 28

BOOGIE FOR YOUR BADGE

Juniors dance the day away as they earn their Dance badge. The girls will learn the basics of tap, swing, ballroom, square and other dance forms. At the end of the day, Juniors strut their stuff at the Badge Boogie Ball.

May 22

ACROSS GENERATIONS

Senior citizens share their stories, knowledge and skills to bridge the generation gap with Junior Girl Scouts. The girls will earn their Across Generations badge as they discover how humor, food, music and hobbies have changed (or not) through the years.
